### About The Centre

**All parents attending the Centre qualify for Child Care Benefit from the Family Assistance Office**

- The Centre is a private long day care centre and caters for children between the age of Nought to school age.  
The Centre provides a range of other services to suit parents' needs and working requirements.
- Hours of operation are 7.30 am to 6.00 pm; the Centre is open for 50 weeks of the year, except public holidays and two (2) weeks over the Christmas and New Year period.
- The Centre is accredited for the maximum number of years. (Two and Half Years) by the National Childcare Accreditation Council.
- The Centre provides all children with three meals, morning tea, and lunch and afternoon tea. Except for children between nought to two years of age their food is provided by parents, unless the child is on solids food and or cow milk.
- Children with food allergy, their parents need to fill the food allergy form, as some types of allergies can be accommodated.
- All permanent staff are qualified and experienced, as the Centre only employs staff with relevant qualifications to their position. Some staff at the Centre are bilingual with a wide diversity and cultural background.
- Programming is based on observation and interpretation of children's behaviour, which is reflected through a stimulating, developmentally appropriate program. A school readiness program for all pre-school children is implemented in accordance with the Department of Education guidelines. Computers are used by the children as an educational tool in a group environment.

- In addition to the developmental program the Centre provides extra-curricula activities. These are music and movements, and Yoga for children lessons. These activities are provided by outside professional teachers on different days of the week. Cost of this program not included on the fee and paid for by children attending the day of which the activity is on. They are not optional.
- Twice a year the Centre provides a checklist on every child covering the five areas of child development.
- The Centre has a modest parent library (video & audio, and written), which may assist in many areas of child development.
- The Centre is air conditioned both for cooling and heating according to the Australian Standard.
- Bond is payable upon enrolment or placing your child on the confirmed list. A cancellation fee may apply upon the discretion of the Centre and could be equivalent to the entire bond amount.
- The Centre's handbook is available upon enrolment.
- For more detailed information about the Centre please refer to the Centre's Manual.
